Format and Rules:

Games will be played at Huntsville High School, weather permitting. Milton Frank Stadium will be the inclement weather site with adjusted schedules. FIFA and NFHS laws of the game will be in effect except where AHSAA rules differ, in which case AHSAA rules will take precedence. Each team is scheduled to play 3 games. Game durations are two 40-minute halves. The home team is listed on the top of the bracket and shall wear a light or contrasting color. Visiting team gets first choice of color. Winning sides from Games 1-4 move into the Cup Division and the losing sides move into the Medal Division. We award Cup Champion and Runner-up, as well as Medal Champion. An MVP from the Cup Champion will also be recognized, according to coach's poll. Except for consolation games, if games are level after regulation there will be two 5-minute, golden goal overtime periods followed by KFTM, if necessary. At the discretion of the tournament director, and if agreeable between affected coaches, consolation game opponents will be swapped to improve diversity. Water, game balls and ball handlers will be provided. Certified athletic trainers will be present on-site.
